# recruit your staff

**Use our Human Resources services to hire your team in Myanmar and to employ them under an umbrella/wage portage contract**

## Promotion of job offers

Browse the CVs published by candidates or post a job offer on our online recruitment platform.

*Fees - Free for Members / Non-Members packages starting at \$50/month*

## Recruitment service

Go through us for the entire recruitment process of your staff in Myanmar: posting of job offer, selection of CVs, interviews, pre-selection of finalists.

*Fees - 15% of annual package*

## Umbrella contract

Your company is not registered in Myanmar but you wish to hire a country representative?

You can employ your local staff under our name with a wage portage contract. We take care of your team for you (contract, salary, taxes, expenses...).

*Fees - 15% of monthly gross salary + renting of an individual desk + Membership*

# train your employees

**Improve the skills of your team, retain and reward them with our certified trainings**

**Our trainers** are all certified professional trainers with long international and local experience in their area of expertise
