

# MIFIDA

## Overview

Microfinance Delta was established in 2013, and in 2015 the organization formed joint venture with Gojo & Company to establish Microfinance Delta International Co., Ltd. (MIFIDA). With a mission to extend financial inclusion across Myanmar, MIFIDA aims to assist low-income groups to improve their living conditions through the promotion of self-reliant micro-business opportunities and provision of access to small-scale credit, MIFIDA offers variety of quality financial products and services to focus on the client's needs, from group loans, small business loans and seasonal agriculture loans and etc.

MIFIDA is managed by professional, highly engaged staff totaling 600 employees across the region whose focus is portfolio quality, expanded outreach, and growing footprint in Myanmar. MIFIDA will continue to expand with the commitment to enable the sustainable financial inclusion in unserved and underserved client segments in both urban and rural communities.
