

## Pioneers in frontier markets

DFDL was established in 1994 and founded on a unique vision: to create an integrated legal, tax and investment advisory firm, with in-depth knowledge of the jurisdictions where we operate to provide tailored, efficient and practical services across our core areas of expertise.

Our integrated and expanding network of 11 offices throughout nine countries in Asia stands as a testament to these goals.

Our dedicated professionals possess the acumen and insight necessary to assist you, our clients, in navigating the various legal complexities and challenges while simultaneously reaping the vast opportunities that this dynamic region continues to offer. We strive to provide no-nonsense, commercially focused and innovative advice, drawing on over 20 years of wide ranging experience and finely tuned local knowledge of the countries in which we operate.

### Expertise and Solutions

DFDL is organized in practice groups that operate across our offices. These fields of practice reflect our core areas of technical expertise along with the major industry sectors that we specialize in.
