

CCI FRANCE MYANMAR
FRENCH MYANMAR CHAMBER OF COMMERCE & INDUSTRY

SPECIAL
Christmas
2020

The Made in France Committee brings together members of CCI France Myanmar importing, distributing and/or representing French brands in Myanmar.

It aims at promoting the quality, the diversity and the excellence of French products in Myanmar.

WHY THIS CATALOGUE?

By publishing this catalogue of French brands available for delivery, CCI France Myanmar aims not only at supporting companies which have suffered from the Covid-19 pandemic, but also at helping all of you buy these products in safe conditions. Stay home, stay healthy, while enjoying the French way of life and « joie de vivre ».

BIODERMA
LABORATOIRE DERMATOLOGIQUE

Introduction

Bioderma is one of the main leading French dermo-cosmetic brands. Created in 1977, it is today among the top 10 worldwide brands in dermo-cosmetics and is present in over 100 countries. Bioderma philosophy is as follows: Biology at the service of Dermatology.

Since the beginning and even more so since the 1990's, the laboratory has designed benchmark products based on key innovations offering new options to meet the expectations of dermatologists and the needs of their patients. These innovations have covered the areas of sensitive skin, oily skin, dry skin, dehydrated skin, photoprotection (solar), hair and cell regeneration.
