Notification n°1/2020

*Unofficial translation*

Republic of the Union of Myanmar  
President Office  
Notification n°1/2020  
2020.03.13

#### **Request to the Public**

1. World Health Organization (“**WHO**”) announced on the 11 March 2020 at 11.13 pm (Myanmar time) that the Coronavirus Disease 2019 (COVID – 19) qualifies as a Pandemic.
2. Therefore, the Prevention Control and Treatment Central Committee formed on the 30 January 2020 for the Coronavirus Disease 2019 (COVID 19) became a national level central committee on the 13 March 2020.
3. This coronavirus Disease 2019 (COVID-19) can spread very quickly at crowded places. That is the reason why the people should not celebrate ceremony, or any other event with people (including the construction of the stages for the Myanmar traditional water festival). In connection with this, all the relevant departments have been instructed to suspend such kind of ceremony and event starting from today to the 30 April 2020, and if required, this deadline will be extended.
4. The Ministry of Health and Sport on the matter of Coronavirus Disease 2019 (COVID-19) announced that laboratory results of the quarantine patients and the suspected patients are shared

on time. On the 12 March 2020 10. pm, no patient with Coronavirus were found yet.

5. Therefore, the Public should not believe any rumor. Please follow the instruction issued by the Ministry of Health and Sport in time to avoid being infected by Coronavirus Disease 2019 (COVID-19) and if you find any suspect person, please immediately inform the nearest health department through your village/ward, township, district administrator.
