JANUARY 2021

USER GUIDE

INTRODUCTION OF THE MYANMAR SALARY SURVEY

- The Myanmar Salary Survey is the result of the cooperation between CCI France Myanmar and the Members of CCI France Myanmar's "Human Resources Committee"
- It is run and published every year on CCI France Myanmar's website (<u>www.ccifrance-myanmar.org</u>).
- It is not sponsored by any company or organisation and is available for free to everyone.
- The participation in the salary survey is **100% anonymous**. We don't request any information that could help to identify your company. All answers are anonymous and are only accessible to our Management. We don't share individual answers and only publish general consolidated data.
- The more answers we get, the better the quality of the data is. Therefore, if you want this survey to be useful to your company too, we thank you in advance for participating in the survey and for sharing this information with all your business contacts.
